Here Comes The 'Tiger'
Knowing a home after racing ... SAHA changing one life at a time.

Back A Winner Cup Challenge is a fund-raising initiative to assist SAHA care for and rehabilitate horses that have retired injured from racing. We currently have a number of Off The Track horses in our Track 2 Hack Program. Making a donation or signing up for sponsorship on Cup day helps us achieve our rehabilitation goals in the hope that these magnificent horse’s get the retirement and care they deserve.
